### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

No prior art of record or combination thereof teaches an inductor device, comprising:

A first spiral conductor and a first external connection terminal formed in an inner peripheral end of the first spiral conductor; a second spiral conductor and a second external connection terminal formed in an inner peripheral end of the second spiral conductor; and a third conductor connecting an outer peripheral end of the first spiral conductor to and an outer peripheral end of the second spiral conductor to each other, wherein the first and second external connection terminals are formed within regions where the first and second spiral conductors are formed, respectively.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
